Maj Gen U.S. Air Force (Ret.)

Dana Born
Brig. Gen, US Air Force (Ret.)

To our EOD Family and Friends,

The support our Foundation provides in disarming the challenges our EOD Family encounter continues to grow and we remain humbled and honored to serve our joint service EOD active duty and veteran family. We cannot accomplish our mission without you, and we greatly appreciate the support of our EOD family, sponsors, and friends.

This EOD Family and Community is made up of many individuals and groups, each bringing their own experiences and viewpoints, and making us stronger for it. Whether these groups are hosting or participating in events, telling the EOD story to new audiences, or adding their financial or personal time supporting our events, we couldn't do this amazing work without them. Thank you to everyone who has made 2022 such an amazing year.

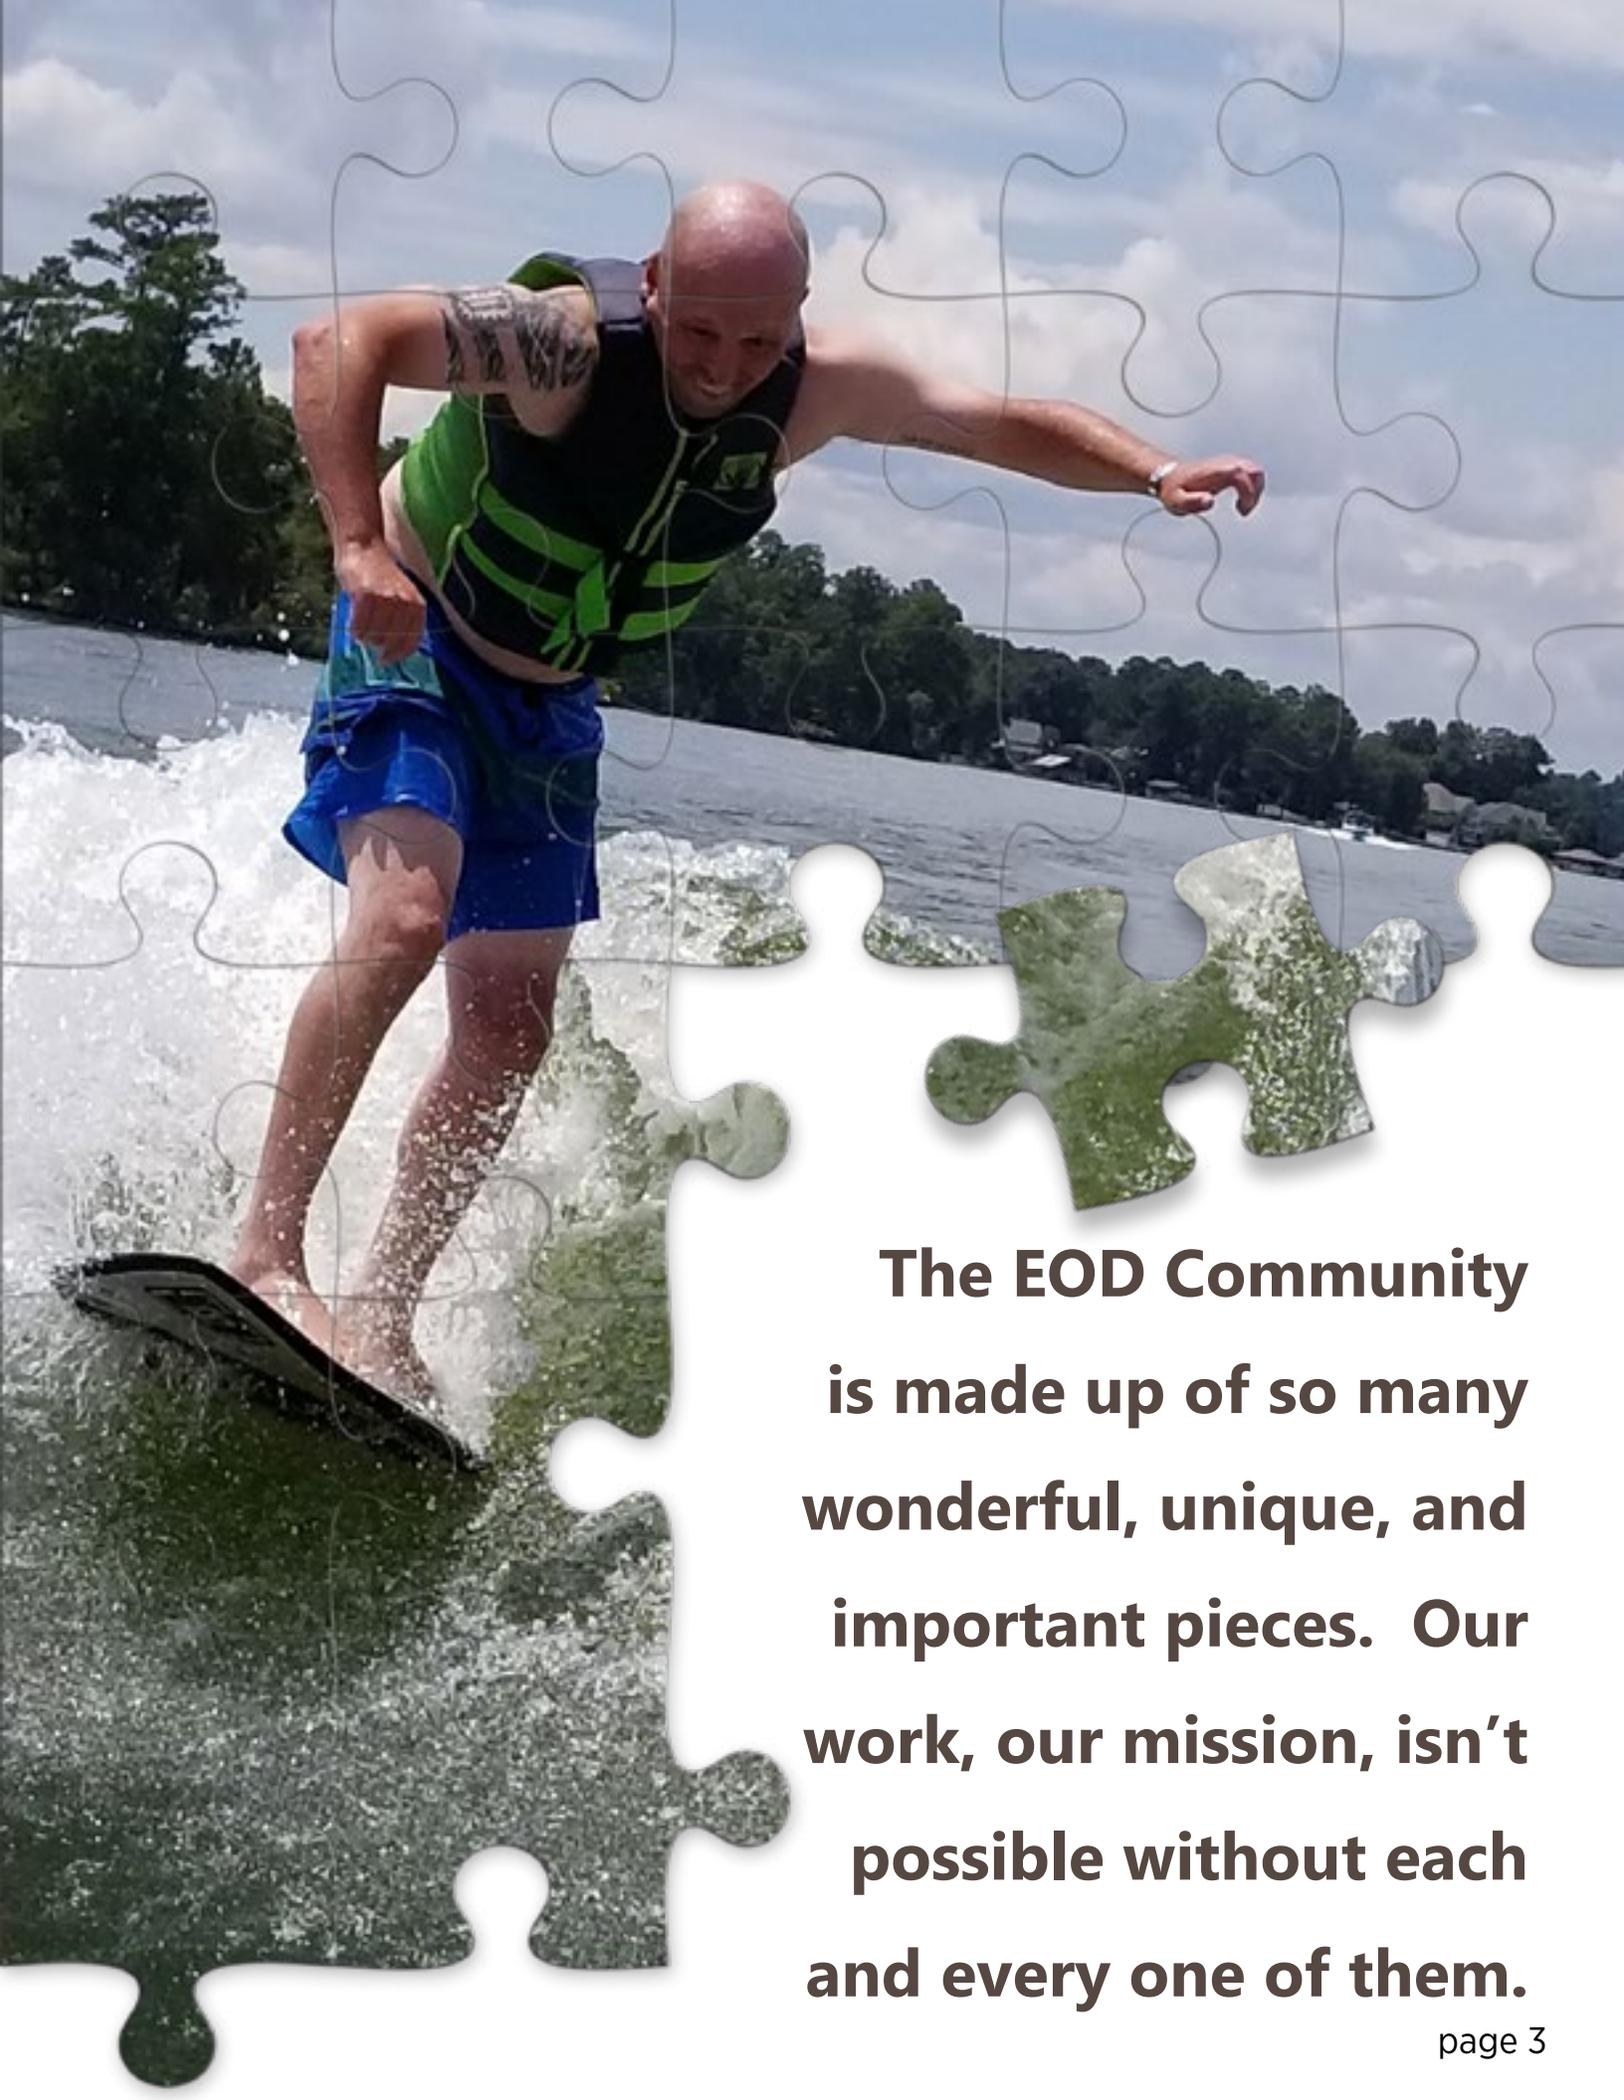

- Because of your generous support, we were able to assist more families and individuals than ever before:
- Over \$227,000 in direct financial relief grants to EOD Families in need
- Scholarships exceeded \$350,000 for Trade Schools, Undergraduate & Graduate Degrees
- Remembrance Garden unveiling, honoring all EOD technicians regardless of era
- New therapeutic healing retreats and family events serving warriors, Gold Star & White Star families, caregivers, couples, families, & teens
- Monthly gatherings to bring the local community together socially
- 'Removing the Stigma' program to open the conversation around mental health

This past November, we initiated a study with a team of researchers and veterans, to "Crack the Code on Suicide" seeking to identify and mitigate issues related to suicide within the EOD active and veteran communities. This study will continue throughout 2023 and we look forward to sharing that information with you soon.

On behalf of the Foundation Board of Directors, Honorary Advisory Board, and our staff, please accept our sincerest appreciation for your support. It is your generosity that makes it possible for us to help these deserving EOD heroes and their families. Your contributions make a difference in many lives every single day.

Honored to Serve,
With heartfelt respect,

Greg K. Mittelman
Chairman, Board of Directors

**The EOD Community
is made up of so many
wonderful, unique, and
important pieces. Our
work, our mission, isn't
possible without each
and every one of them.**

The Foundation offers
Four Pillars of Support
to deserving EOD Warriors and their families.

Care*

Remembrance Garden

WE REMEMBER!

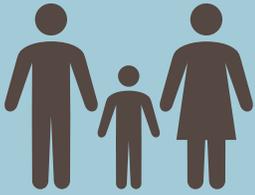

On Thursday, May 5, 2022, the start of an amazing EOD Memorial Weekend, over 200 members of the EOD Community gathered for the ribbon cutting and opening of the EOD Remembrance Garden area. This new space, adjacent to the EOD Memorial Wall, is dedicated in honor of all EOD Techs who have served, regardless of branch, era, time in service, or cause of death.

The EOD Warrior Foundation also thanks the hard work and support of over 100 companies and individuals who helped make this space a reality. A special thank you to Med-Eng, its partners and employees, for leading the way in the sponsorship of the EOD Statue and Stephanie Hunter for her amazing talent in creating this moving focal point to the entire space.

This space has long been waited for by the EOD Community and, thanks to the generous support of that Community, has become a reality for all.

“The EOD Warrior Foundation supports the EOD community. The primary reason the EOD community is so strong is that support and the knowledge is passed through the community, everyone supporting each other. If I don’t support and do my part, then who will.”

Community Events

Bishop's Events has proudly supported the EOD Warrior Foundation since 2017, and we will have another 11 events with them in 2023. The work they do for active and retired EOD Technicians is unparalleled. We, and all the runners who participate, know that the charity running events we put on raise funds to support those in need!

~Bishop's Events, Fredericksburg, Virginia

At Manna Church, community means the people God brings into our lives to support each other physically, mentally, and spiritually. Continuing to partner with the EOD Warrior Foundation is our pleasure. We see first hand the support they provide to those who sacrifice to better this country, and we pray that giving back in some small way blesses the service members and the EOD community. We want them to know, "We see you, we appreciate you, and we support you!"

~Manna Church, Niceville FL

Here at the 55th OD CO (EOD) we have been honored to support the EOD Warrior Foundation for several years during the annual EOD Polar Bear Plunge. We were thrilled to be able to again support the community by attending the 1st annual placing of tokens on the headstones at Arlington National Cemetery of every EOD tech that has been laid to rest here. This has been a great experience that has fostered outreach to the EOD community and the local community within the National Capital Region. The Soldiers of the 55th OD CO (EOD) look forward to future opportunities to support the community and the EOD Warrior Foundation.

~55th OD CO (EOD), Fort Belvoir Virginia

The 2023 EOD 137 Workout was an amazing success! This workout, designed to be done in pairs or partnership with others, is a true example of the amazing support the entire EOD Community shows to each other.

Over 1,200 people participated or donated and everyone did an amazing job getting through this brutal workout! Thank you to everyone involved for showing their support and dedication. From individual registrations, to team captains, gyms hosting locations, and fundraising supporters, it was a real group effort and group success!

Thanks to all our amazing EOD Remembrance Flag volunteers!

In 2022, over 2,000 EOD Flags were placed around the US and in Tunisia. In addition, over 100 EOD Community Volunteers placed 320+ wooden discs, marking the graves of all EOD Techs in Arlington National Cemetery. A wreath at the Tomb of the Unknown was also laid to honor the 80 Techs classified as MIA or Buried at Sea.

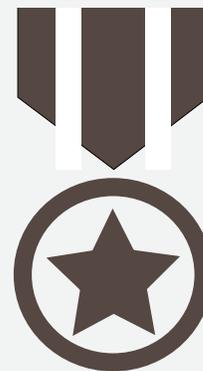

From townships in the Upper Peninsula of Michigan to villages in New Mexico and big and small towns across all 50 states, the entire community created a wonderful program that will continue to grow every year. Thank you for joining with us in remembering all these men and women and honoring them for their service.

In 2021, the EOD Community saw the highest number of suicides ever. Together, we made a commitment to help remove the stigma surrounding mental health, which prevents our warriors from getting the care they need and deserve.

Recognizing the importance of peer-to-peer support and the positive impact that coming together, listening to each other's stories, and finding strength in each other, has on our community, we started a series of panel discussions called Removing the Stigma surrounding mental health. This series will help to combat negative stereotypes that keep our warriors suffering with traumatic brain injury, depression, anxiety, PTSD, anxiety, hypervigilance, moral injury and toxic exposure from getting help.

Removing the Stigma

These discussions were recorded and published as a podcast on Behind the Warrior and the videos posted to our YouTube channel so they may be seen and shared by everyone.

We are looking forward to continuing this important conversation on removing the stigma surrounding mental health into 2023 with different speakers and resources highlighted with each series!
