

EOD WARRIOR

FOUNDATION™

DISARMING CHALLENGES

**2019
ANNUAL
REPORT**

To our EOD Family and Friends,

Because of you, 2019 was an amazing year impacting EOD warriors and their families and our best year to date. Thank you for your continued investments in our success!

As you know, the mission of the EOD Warrior Foundation is to improve the quality of life for the EOD Family by providing educational, financial, and emotional support. EOD technicians remain on the forefront of numerous conflicts and our EOD Families continue to hold down the fort at home. We are honored to serve this amazing community and always welcome any ideas you may have on how we can better support your needs.

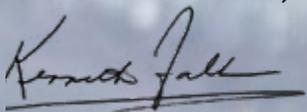

In 2019, we:

- Provided over **\$215,000** in direct financial relief grants to EOD Families in need
- Supported **130** EOD dependents with educational scholarships totaling over **\$230,000**
- Briefed over **20** active duty EOD units across the four services
- Executed **13** Therapeutic Healing Retreats totaling over **\$430,000** in programmatic support to EOD Warriors and their families
- Supported over **500** families through our programs and services

As you read the 2019 Annual Report, I hope you feel the same extreme pride as I do. Every day, our staff and volunteers at the Foundation work very hard to make sure we are here 24/7 for the EOD Family.

On behalf of the Foundation's Board of Directors, Honorary Advisory Board, Staff, and Ambassadors, please accept our sincerest thank you for your support. Your generosity makes a difference every single day.

Honored to Serve,

Ken Falke
Chairman

DISARMING CHALLENGES

... FOR THE ENTIRE EOD FAMILY

In 2019, we were with you at loud, fun filled events, where hundreds gathered to cheer on participants. And, in quiet, one on one conversations, saying little other than 'you are not alone'. We are proud to be here for the joint service EOD Community in good times and bad, for all service branches, for all age groups, help with heart break, and to celebrate victories, both big and small.

The EOD Warrior Foundation is honored to support this amazing community, filled with brave men and women who risk their lives disarming, rendering safe and disposing of explosive hazards.

DISARMING CHALLENGES

... FOR THE ENTIRE EOD FAMILY

“As a former EOD tech and now the President of Exelon’s EMAC group it was an easy decision for me to pull my resources together for a 501c3 charity that I know does great work and does not abuse their opportunities.”

~Ryan Whitman
President Exelon EMAC

“To reach the Platinum level, the EOD Warrior Foundation added extensive information to its GuideStar Nonprofit Profile: basic contact and organizational information; in-depth financial information; qualitative information about goals, strategies, and capabilities; and quantitative information about results and progress toward its mission. By taking the time to provide this information, the EOD Warrior Foundation has demonstrated its commitment to transparency and to giving donors and funders meaningful data to evaluate nonprofit performance.”
